MOTORCYCLE PRICE LIST SUPPLEMENT

TO BE USED WITH MAY 4, 1981 PRICE BOOK

Enclosed please find a comprehensive price supplement of all parts that have been priced or changed since the May 4, 1981, price book. We are sorry for any inconvenience caused by the lack of a new price book for over one year, but are extremely happy that we have been able to hold the line on most prices for this extended period of time.

This supplement supersedes all previous supplements, and should be used in conjunction with the May 4, 1981, price book. All the prices contained in this supplement are currently in effect with the exception of those items contained in the Spring Profit Bonanza sale catalog.

This supplement does not reflect a major price increase. Only a few prices have been increased.
