PAB #366

Harley-Davidson has experienced problems in entering phone orders from dealers on part numbers 99180-88Z, Harley Insulated Thermos and 99180-88V, Harley Chopper Glass Sculpture. As you can see the only difference between the two part numbers is the letter suffix "Z" and "V" and, of course, pricing.

We ask that when giving the part number you say "Z" as in "Zebra" and/or "V" as in "Victor". This will insure your order is entered correctly.

We are taking steps to insure situations like this do not occur in the future. Thank you for your cooperation.
