

Parts & Accessories Bulletin

November 17, 1987

PAB #367

CLUTCH FRICTION DISC

PART NO. 37931-84A

We regret to inform you, that due to a procurement problem with our supplier, the above mentioned part has been obsoleted and superseded to 37931-84.

Though this part number (37931-84A) does not appear in the 1987-88 1340 Parts Catalog (PN 99450-88), it was listed in the Replacement Parts section of the Baltimore Dealer Meeting Order Book for Parts and Accessories, and was scheduled for an October 15, 1987 introduction.

For those of you that placed an order for 37931-84A at the Dealer show and currently have it on Back Order with Harley-Davidson, Inc., you will be contacted by your P&A Account Representative regarding this matter.

We apologize for any inconvenience this may have caused.

Thank you.
