ORDERING PROCEDURE

CUSTOM PAINTED 3.25 GAL. PEANUT-STYLE XL GAS TANK

Thank you for your response to the 3.25 Gal. Gas Tank. It has been tremendous. However, to ensure delivery on a timely basis, we are once again reminding you of the procedures that **MUST BE FOLLOWED** when ordering this product through Harley-Davidson's CUSTOM PAINT PROGRAM:

I. ORDER FORMS

Clearly mark the current P & A Custom Paint order forms with P/N 61203-87 where applicable when requesting a 3.25 Gallon XL Tank. Failure to clearly list P/N 61203-87 could result in your order being delayed.

II. DECALS

Any standard Harley-Davidson decal can be used when ordering 3.25 Gallon XL Tanks, with the exception of P/N's, 14102-84, 14103-84, 14041-86, 14042-86, 14196-88, 14197-88, 14198-88, and 14199-88, which are 'full panel decals' and are sized to stock production 2.25 Gallon Tanks. In summary, except for the above eight part numbers, any standard Harley-Davidson decal can be ordered. A DECAL P/N MUST BE PROVIDED ON THE CUSTOM PAINT ORDER FORM.

III. PINSTRIPING

Only the traditional Sportster 'Outlined Panel' pinstripe configuration will be available on 3.25 Gallon Tanks. This 'outlined panel', as shown below, can be ordered either in single or double stripes.

Please contact your P & A Account Representative for additional information or assistance you may require when ordering Custom Painted 3.25 Gallon XL Tanks.
