

Parts & Accessories Bulletin

September 17, 1990

PAB #467

XL Transmission Shifter Forks

This bulletin is issued as a reminder that there are several different length shift forks available for 1990 and earlier XL models as listed below. These forks will aid in proper gear spacing during transmission rebuilding.

34291-52B	Standard
34292-72	+ .020
34293-72	- .020
34294-84	+ .010
34295-84	- .010
34296-84	+ .005
34297-84	- .005
