### PAB1085: ONE-GALLON ANTI-FREEZE - NOW PROFESSIONAL USE ONLY

#### **Purpose for Parts and Accessories Bulletin**

To inform dealers that one-gallon coolant/anti-freeze (Part No. 99822-02) will be superseded to (Part No. 99822-02A) and marked for professional use only.

#### **Markets Affected**

All markets are affected.

#### **Summary**

The coolant/anti-freeze (Part No. 99822-02) will now be marked for professional use only and will also superseded to (Part No. 99822-02A) reflect the new labeling. This action will take place as soon as existing inventory (Part No. 99822-02) is depleted. Any current inventory of the existing coolant/anti-freeze (Part No. 99822-02) may continue to be sold as retail until depleted.

The 16 fl oz bottle of coolant/anti-freeze (Part No. 26800119) continues to be available for retail to fulfill consumer demand.

#### **Questions**

Contact Technical Service with any concerns regarding application. Direct all other questions to the Dealer Services Representative.
