

# GENUINE MOTOR PARTS AND MOTOR ACCESSORIES BULLETIN

PAB1102

2020-08-25

## PAB1102: SOFTAIL QUARTER FAIRING MOUNTING POST

### Reason for Revision

Refer to Table 1.

Table 1. Document History

Date	Revision Description
2020-08-25	Wording update
	* Updated Title, Key Messages
2020-08-20	Initial release

### Purpose for Parts and Accessories Bulletin

To inform dealers of Softail® Quarter Fairing warranty claims involving issues where the mounting posts are cracking.

### Markets Affected

All markets are affected.

### Key Messages

- The affected products have been placed on hold.
  - Original Equipment (OE) fairings on Low Rider S are not affected.
- Engineering has identified the problem, and plans to implement the correction in October 2020.
  - Backorders will begin clearing when implementation is in place.
