PAB1116: PUSH-TO-TALK/CRUISE HAND CONTROL KIT - FITMENT UPDATE

Purpose for Parts and Accessories Bulletin

To inform dealers of a no-fit situation that exists on 2021 Touring, Touring Police, CVO Touring and Trike vehicles where Citizens Band (CB) radio customers are looking to install the Push To Talk (PTT) / Cruise Hand Control Kit (Part No. 71500494) to swap location of those switches.

Markets Affected

All markets are affected.

Key Messages

Due to the 2021 change on Milwaukee-Eight® (MKE-8) equipped vehicles, a no-fit situation exists on PTT/Cruise Hand Control Kit (Part No. 71500494). This no-fit situation impacts 2021 Touring, Touring Police, CVO Touring and Trike vehicles. A time line to enable fitment on 2021 vehicles is not available at this time. When available future fitment information will be provided via the Parts and Accessories (P&A) Bulletin process.

Summary and Parts Affected

The following part number is impacted by this no-fit situation:

- 71500494 - KIT,HAND CONT,PTT/CRUISE CONT SWAP
