AIR CLEANER COVER KIT

GENERAL

Kit Number

29792-04

Models

This kit fits 2004 and later XL model motorcycles.

Additional Parts Required

If used with Screamin' Eagle® High Flow Air Cleaner Kit Number 29042-04, the separate purchase of Adapter Kit Number 29848-04 is required.

Kit Contents

See Figure 1 and Table 1.

INSTALLATION

1. See appropriate Service Manual for instructions to remove Air Cleaner Cover. Remove and discard the hardware and trim insert. Remove the original cover. Slide the rubber seal off from around the original covers edge and save the seal to attach to the new cover. Discard the original cover.
2. Remove the new air cleaner cover and components from kit.
3. Reinstall the air cleaner cover seal, saved from step 1, to the edge of the new cover. Press the rubber seal firmly in place around the edge.
4. See Figure 1. Pre-assemble the Air Cleaner Cover Kit. Insert the screws (4) and (3) through the air cleaner cover (1) holes. Use the nylon washers (7) to hold the short spacer (6) on to the short screw (4) and the long spacer (5) on to the long screw (3) during installation.
5. Install the new air cleaner cover assembly while aligning the screws with the threaded holes of the filter element face plate.
6. Tighten the screws to 4.07–6.8 N·m (30–60 in-lbs).
7. Install the Medallion Insert (2), by centering the medallion in the recess on cover and pressing firmly into place.
8. **Removal of Medallion:** The medallion can be removed for servicing the air cleaner element, by carefully using your finger nail or a plastic blade, to lift it without scratching the chrome cover. The medallion can be reused.
